

## Newsletter Term 2 / Week 12 - 2nd July 2020

### From the Principal

Kia Ora Koutou,

Wow, we have finally reached the last week of Term 2. It has been a very complex year, so the break is something we are all looking forward to.

You will now have the pleasure of having your children home for two weeks without the added layer of Home Learning, so I hope you also get the opportunity to spend some quality, down time with them.

Planning for Terms three and four is well under way. We are looking forward to another two Terms where science comes to the forefront of learning, with our context this year being on water. Last year's context of Antarctica was amazing. The water theme gives us another very broad topic, the broad ideas which are being discussed are amazing. I'm sure your children will once again immerse themselves in this student directed learning programme. Julie Wan is returning from two terms professional development with the Science Teaching Leadership programme. She will be a driving force behind this topic, whilst also undertaking an in depth review of science teaching and learning in our school. You will be invited to participate in this review during terms 3 and 4.

Learning conferences have been scheduled for 4th August from 3.15 till 8 p.m. and 5th August from 2.45 till 5.30 p.m. Bookings are now open, please use this link to book a time that fits with your families schedule:[link](#)

The format is the same as mid year 2019. We feel we need to give you an opportunity to connect with your child/ren's pastoral care teachers to discuss their progress over the first two terms of the year. It is your choice whether your child/ren attends these conferences with you. Students will not be leading the discussions, we will be focusing on progress and achievement related to the Hero information which will be shared with families the first week of next term. The Home Learning model did suit some students whilst others found it more difficult to engage with it. This has had an impact on the progress data across the school. You now have an opportunity to discuss how we can address any new challenges which may have arisen as a result of this period of disruption.

Due to the popularity of the Mana Ake Zoom drop in sessions, another one has been scheduled for Friday 24 July, 12 p.m till 3 p.m. Please book your time here: [link](#) then, type in the following code and follow the instructions. Code: y9ufw

Our staff car park is the next property project being undertaken. This needs to be addressed as it is a significant Health and Safety issue for our students. Students, both ours and Lincoln High Schools do cut through this area, even though they know they shouldn't. Having parents drop off and pick up their children in the car park area is extremely dangerous. If your child uses the North Belt entrance, please ensure they understand the significant risk they take when cutting through the carpark. Ask them to use the pedestrian pathways to the entry gate. If you drop off your children PLEASE do not drive into the car park area. We do not want an accident to happen before we get the area reconfigured.

Ngā mihi

Viv Butcher

## School Notices

- If your child is unwell at all please keep them home to slow the spread of germs. We may call you to collect your child if they appear unwell at school.
- The lost property bin is on the Te Horoeka verandah (old modular building by the junior playground) for anyone looking for lost property. Please do ensure that ALL your child's school clothing is named. We often have unnamed uniform items that we have no obvious owner for. Also, if your child is wearing second-hand uniform items, do cross out prior owners' names and scribe your child's name. Names sometimes wear or wash out over time, so do check and rename if they are faded.
- Lunch online orders must be placed before 9am. Subway can be ordered on Wednesday's and Sushi on Friday's. Please visit [lunchonline.co.nz](http://lunchonline.co.nz) to place your order.
- Every Wednesday school finishes at 2.30pm. Please be prompt for pickup so teachers can get to their meetings on time. Students will be sent to the office if they have not been collected by 2.35pm.

## Student absences or appointments

The office must be notified if your child is going to be absent or late for any reason.

A message can be left on our absence phone, 03 3252571 extension 1. Alternatively you can fill in the online absence form on our website (contact us page), OR email us at [admin@lincolnprimary.ac.nz](mailto:admin@lincolnprimary.ac.nz). You are welcome to let your child's teacher know of their absence but please ensure the office is notified. We also prefer that a parent/caregiver advise us of the absence (not a sibling). This is to ensure your child has arrived at school safely. If you don't inform the office of an absence before 9.15am and your child is not in class for the morning roll, you may be sent a text message to confirm their whereabouts and the reason for their absence. Please also inform the office if you intend to collect your child during the school day for an appointment.

## Staff Car Park

For the safety of all of our students and yourselves we ask that you please not use our staff car park to drop off or collect your child/ren unless prior permission has been given by our Senior Leadership team.

We understand pick up and drop off is a busy time but we need to keep the safety of everyone as our first priority.

## HERO accounts

Your accounts can be viewed online via the Finance option (\$) from the main menu in HERO.

Unpaid invoices can be selected and paid using either a Debit or Credit card. If you have experienced connectivity issues in the past, these have now been rectified.

## Lincoln Primary School PTA

The PTA Second Hand Uniform Shop will be open this Friday 3rd of July from 2.45pm - 3.15pm. This is located on the side of the hall beside the senior playground. [Click here](#) for more information.
