

## Newsletter Term 2 / Week 10 - 5th July 2019

### From the Principal

Kia Ora Koutou,

It's hard to believe that we are once again in the last week of term. For all of you who are keen skiers, the snow fall today should see plenty of cover up at the ski fields for you to enjoy with your children during the break. Many of our students and staff have been quite unwell during Term 2, hopefully the break will give them time to fully recover.

The term 3 calendar is looking very full. Please check to see which events are applicable to your children and which evenings have school events planned on them. Some which come to mind are the Road to Sexuality parent information evening, Friends of the School evening where the discussion focus will be Authentic Learning, followed by the Open day where you will be able to see this in action. The on-going theme for 2019 is survival, which has proven to be very exciting. Under this theme, we will be focussing learning around Antarctica. We have a wonderful team of experts who have been working with our teachers to share the many and varied themes which could be the focus for students. There have been some very exciting discussions among the teachers, I'm sure your children will be as fascinated and motivated by this new learning.

To ensure all students have some understanding of the environment down at Antarctica, we will be taking all students to the International Antarctic Centre. All costs, including buses, for this outing will come from your school donations.

We know that many parents have expertise in this area, please contact your child's pastoral care teacher if you are prepared to support our learning during Terms 3 and 4.

Yesterday and today, all staff members are undergoing teacher training in the KiVa anti bullying programme. We look forward to implementing this programme from Term 3 onwards. Explicit teaching in regards to bullying will take place following full school assemblies every second week. Parent information regarding the programme will be shared during the parent Health consultation evening.

Can we please ask that children do not wear Smart or Apple watches to school. We endeavour to carefully manage children's digital behaviours and online time. These watches give an additional layer of digital connectivity which we would find very difficult to monitor and support children to manage.

We hope you all have a safe and happy holiday. Term 3 commences Monday 22nd July.

# REMINDERS

Congratulations to our newly elected Board of Trustees. The Lincoln Primary School board members are Karyn Strachan, Jonny Brown, Cameron Mouatt, Phil Hulme and Chris Morison.

If you are coming onto the school grounds as a parent helper or for an event and you will be staying for a period of time it is important that you sign in at the school office. This is part of our health and safety processes as if there is an emergency evacuation or lockdown procedure it is important that we know what other adults/persons are on our school grounds. We appreciate your understanding of this and how it will keep all of our school whanau safe and accounted for.

Assembly will be held on even weeks in the school hall starting at 9:15am. Parents are welcome to attend.
