

Newsletter Term 4 / Week 9 - 10th December 2020

Kia Ora Koutou,

It is hard to believe that this year is almost drawing to a close. Today we are recognising our student leaders within the school. These are students in Years 5-8 that have taken on a variety of roles throughout the year including road patrol, pupil activity leaders, peer mediators, librarians, student technicians, bell and flag monitors, student liaison, cultural leaders and house leaders. These roles are an integral part of our school community and enable our students to develop their own leadership abilities whilst contributing back to the life of the school. We thank them for the many contributions that they have made this year. This year also saw another tradition at Lincoln Primary School which is our celebration of our Year 8 students before they head off to high school. The students enjoyed an end of year dinner together as well as what is known as 'The Big Day Out', this day includes games and activities.

We have been lucky enough to have Rosie, a therapy dog, work with us when possible throughout the year. Monday was her last day of the year with us however she will be back to visit with us again next year. Many students have had the opportunity to visit with Rosie and read her stories in the library. We are very grateful to Rosie and her owner Miriam for being part of our school community again this year.

We have been informed that there will be an 'Incredible Years Parenting' course being run in Rolleston and Selwyn in February 2021. Incredible Years is backed by huge amounts of international research as one of the most successful parenting programmes available and completely free! It is for parents of tamariki aged from 3 to 8 years old. If you would like more information there are posters up in Reception and the Years 0-3 spaces. Alternatively contact erin.sturman@education.govt.nz 027 205 7950 - bookings are essential and it is a hugely popular course.

The student progress charts and End of Year Report comments are available to be viewed on HERO (our student management system). The progress graphs can be found on the 2020 Report page and the End of Year comment can be found on the Student Reports page. The teachers have also been uploading artefacts to demonstrate the learning that has been taking place this term. If you have any questions about these reports please see your child/ren's teachers. Information about HERO and how to access can be found on our [school website page](#). If your child started in Manuka with Mrs McKenzie-Woodgate then they may have had a six week interview in place of an End of Year Report comment, please contact Mrs McKenzie-Woodgate if you are unsure. The student accounts have also been updated and can be found in HERO parent portal under the heading Finance. If you have any questions regarding this please contact Mrs Garrett, sharon.garrett@lincolnprimary.ac.nz.

Next Monday 14th December we would like to invite you to our final school assembly. This a significant event as we recognise the achievements of students across the school as well as farewelling our Year 8 students. This assembly is held at the Lincoln Event Centre, starting at 1pm. There is further information regarding this assembly within this week's newsletter under "Important Notices, End of year Assembly"

PTA Round Up

Despite the disruption 2020 has sent us all, the PTA has still been able to find ways to support the school community with financial grants totalling \$16,500.

This has included our ongoing support for the Prep Band, sports trolleys for the children to use during lunchtimes, a collection of indoor games and other activities suitable for use on wet weather days, new netball hoops and nets, and the provision of sunscreen in each of the learning spaces.

The PTA has enjoyed the opportunity to engage with the wider community during events such as Grandparents Day, and we are looking forward to being able to be more actively involved in 2021.

This week, we are hosting a morning tea for the teachers and support staff to acknowledge their dedication to our children in what has been a very challenging year. We are sure you will all join us in offering a massive "Thank You" to each and every member of staff.

We are looking forward to a more settled 2021 and would like to extend an invitation to all school families to consider being part of the PTA in the New Year. Keep an eye out in the weekly newsletter for the meeting dates and we will see you there,

Regards the Lincoln Primary PTA.
